Paul Johnson asked if Baby's Breath had been positively identified as the species listed by the county because there are several types of Baby's Breath. After discussion, a motion was made by Floyd Muntefering, to approve all the locally noxious weed requests, with the exception of Baby's Breath. Seconded by Craig Magedanz. Motion carried.

Weed & Pest Coordinator Report was given by Brenda Sievers.

Weed & Pest Supervisor Report was given Ron Moehring. There was a 2% increase in State Noxious Weeds and a 1% increase in Locally Noxious Weeds in 2017. He also mentioned turnover in county weed supervisors.

Dale Anderson gave the CAPS report on planned projects for 2018. Planned activities include gypsy moth, karnal bunt, pine shoot beetle, emerald ash borer and Japanese beetle trapping. Mike Stenson reported on the bio-control projects planned. Greg Buntrock with USDA-APHIS PPQ, talked about the possibility of deregulating emerald ash borer because it is now widespread in the US. He also talked about the grasshopper counts in 2017 being very low.
